### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with John Hammar on August 3, 2004.

The application has been amended as follows:

Claims 2-5, 7, & 9 have been canceled.

Although the rejection of these claims has been rescinded (see discussion below) there is other art of record that anticipates and/or obviates these claims. Therefore claims 2-5, 7, & 9 have been canceled in order to place the case in condition for allowance.

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: the prior art reference (Matsen et al. US Patent No 6,040,563) relied upon by the examiner has a common assignee (Boeing Company) and does not constitute a U.S.C. 102(b) reference due to the priority claimed by applicant in the instant application. Therefore the U.S.C. 102(b) rejection of claims 1, 6, & 8 is rescinded.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen J Kenny whose telephone number is 703-306-0359. The examiner can normally be reached on mon - fri 9am - 5pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Peter Vo can be reached on 703-308-1789. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
